**TRINITY SONG:** #287 *O God whose fire lit the skies*

by H. Stuempfle

♪ **O God** whose fire lit the stars  
♪ and set them in their course  
You are life's origin and end,  
the vast creation's source  
Come, touch us who were formed from dust  
& set our hearts ablaze  
That life and breath may rise to you,  
a sacrifice of praise.

O **Christ** in whom God's holy fire blazed  
forth in human form  
In you God's truth has touched the earth  
in love made cruciform  
May we your living body now,  
enkindled by that flame,  
By glowing word and loving deed  
make known your glorious name

**Spirit** as at Pentecost you fell a living flame  
And sent the chosen twelve abroad  
the gospel to proclaim  
Descend on all you call today to serve a Servant Lord  
Ignite their praying hearts till they are burning with your word.
