the Iona Community

♪ Love is the welcome that comes from the heart  
And opens its door to the stranger  
Which makes of its house a resting- place for all  
For the sake of the babe in the manger.

Love is the touch that does not draw back  
From the maimed and the hurt and the broken  
But embraces their pain and calls them by their name  
That the word of compassion be spoken

Love is the table that’s laid for a feast  
At the meeting of sisters and brothers  
In the bread that is share and the wine that is poured out  
Is the life that was broken for others.

Love is what helps us at home through it now  
And to care for the ones at our “table”  
Those precious souls we love - who’ve been given from above  
Through pandemic, we love as we’re able.
