**OPENING SONG:** #717 *We cannot own the sunlit sky*

by Ruth Duck

♪ We cannot own the sunlit sky, the moon, the wild-flowers growing,  
for we are part of all that is within life's river flowing.  
With open hands receive and share the gifts of God's creation,  
That all may have abundant life in every earthly nation.

When bodies shiver in the night and weary wait for morning,  
When children have no bread but tears, & war horns sound their warning.  
God calls humanity to awake, to join in common labour,  
That all may have abundant life, oneness with their neighbour.

God calls humanity to join as partners in creating a future free from want or  
fear. Life's goodness celebrating, that new world beckons from afar,  
Invites our shared endeavour,  
That all might have abundant life and peace endure forever.
